June 13th & 14th, 2025

EconomiX (Université Paris-Nanterre), LGE (CentraleSupélec) and the French Association for Energy Economics are pleased to host the **35th edition of the Young Energy Economists and Engineers Seminar**. The seminar will take place on June 13th and 14th at Université Paris-Nanterre in bâtiment Weber. The first day will be divided in two parallel sessions. Each paper is allocated a total of 45 minutes, including questions and reviewers' feedback.

Every presenter will benefit from two reviews: a junior review from another presenting PhD student, as well as a senior review. **We advise the authors to present their work for 20 minutes, leaving 5 for both junior and senior reviewers. The final 15 minutes are dedicated to Q&As.**
